Every Heart-Ache

Every pain in the breast, difficult breathing, palpitation, fluttering or dizzy spell means that your heart is straining itself in its effort to keep in motion. This is dangerous.

Some sudden strain from over-exertion or excitement will completely exhaust the nerves, or rupture the walls or arteries of the heart, and it will stop.

Relieve this terrible strain at once with Dr. Miles' Heart Cure. It invigorates and strengthens the heart nerves and muscles, stimulates the heart action, and relieves the pain and misery.

Take no chances; make your heart strong and vigorous with Dr. Miles' Heart Cure.

"I suffered terribly with heart disease. I have been treated by different physicians for my trouble without results. I went to a physician in Memphis, who claimed that I had dropsy of the heart. He put the X-ray on me, and in connection with his medicine he came near making a finish of me. Some time before this a Mr. Young, of St. Louis, was in our town. He saw my condition, and recommended Dr. Miles' Heart Cure to me. I gave it little attention until my return from Memphis, when I concluded to try it, and am pleased to say three bottles cured me."

CHARLES GOODRICH, Caruthersville, Mo.
Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

Oil News.

The Campton oil field of Wolfe county has today eighteen producing wells with an average natural initial capacity of better than ten barrels per day. Those having been treated to a dose of high explosives show an increase of production of from five to ten times the natural amount in barrels.

Thus far the following wells have been drilled: Three on the John Williams farm, now producing 100 barrels per day; two on the Jonas Vansant farm, producing 50 barrels daily; one on Wm. Cundiff farm, with daily capacity of 25 barrels; one on Fulk & Sears farm, 50 barrels; one on R. Cundiff farm, 50 barrels; one on S. Cable farm 15 barrels; one on J. C. Lyons place, 40 barrels; one on C. C. Williams place, 30 barrels; one on Cain Duff farm, 40 barrels; one on C. H. Garrison farm, 40 barrels; one on J. Tolson farm, 25 barrels (estimated). Besides these there are a dozen more rigs up and drilling, or in course of erection.

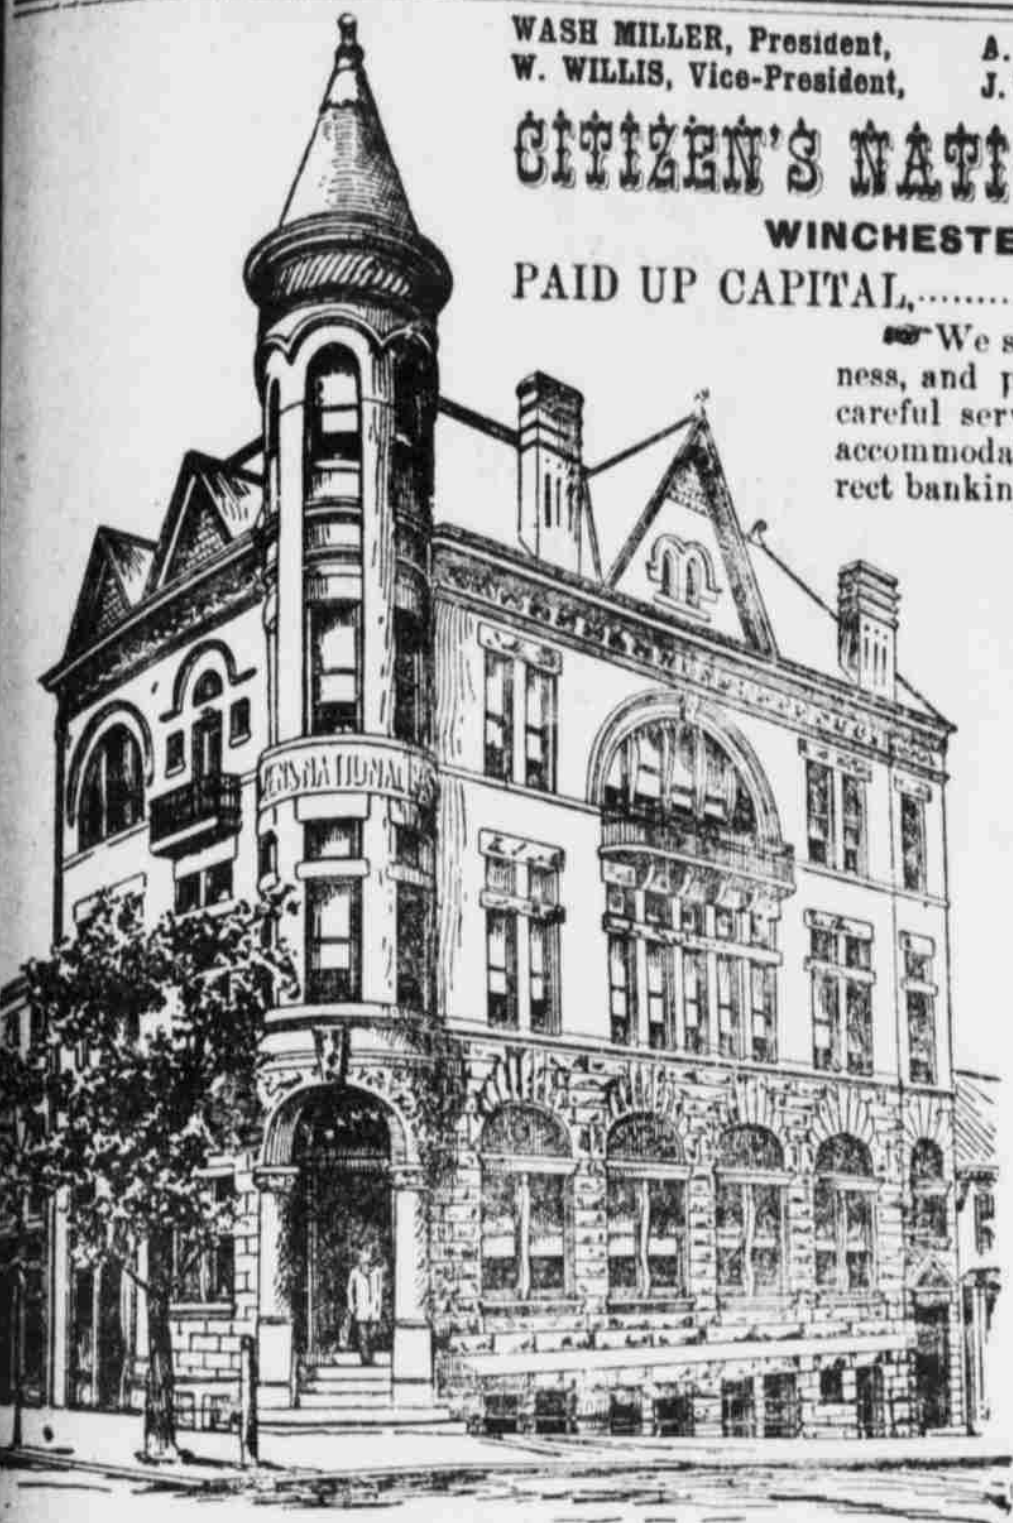

The average depth of these wells on the creek bottoms is 1,240 feet, with 500 feet of casing. The oil in color is dark green, thirty-eight gravity, paraffine base, as good as any produced anywhere, except in the white sands of Pennsylvania and West Virginia. The pipe line is taking oil as fast as it is produced.—Jackson Hustler.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it on all Dr. King's or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada.

Dr. Bakes and wife, who have been boarding for some time with James B. Cecil and wife, Tuesday moved to Mrs. Nannie Craven's, where they have engaged rooms.

Whiskey in plain bottles, 17 1/2 cents each.

ONE FULL QUART OF WHISKEY FREE

We know the meaning of words and will do as we say. We claim to be the lowest-priced Whiskey House and the Largest Retail Whiskey Concern in the South. All the North Carolina Whiskey we sell is good—there's no bad. People here wouldn't adulterate it if they knew how—they are too honest! Most whiskey sellers are noted for mixing, blending and watering. We sell none genuine old whiskey and less water than any known competitor. "Casper's 11 Year Old" Whiskey is a liquid joy! It's made by honest people in the mountains of North Carolina, in stately copper stills, but as it was made for our grandfathers, first-rate whiskey is sold at \$5.00 to \$6.00 per gallon, but it's not any better than "Casper's 11 Year Old." It must please or we will buy it back. We have a cache of \$50,000, and the People's National Bank and the Piedmont Savings Bank of this city will tell you our word is good. To introduce this old, honest whiskey, we offer four Full Quarts of "Casper's 11 Year Old"—two sample bottles, one 15, one 18 year old—a cork screw and a drinking glass—all for \$2.95. If \$5.00 is sent we will double the above and put in five other Full Quarts Extra. We have some of this whiskey only 7 years old, and will send five-gallon keg for \$10 or will furnish twenty full quart bottles on receipt of \$11 and give free containers, drinking glasses and seals, making this whiskey cost less than \$2.50 per gallon delivered. We ship in plain boxes with no marks to indicate contents, and Prepay all Express. Buyers West of Texas, Kansas, Nebraska and Dakota must add 5 cents per quart extra.

CAMPTON CRURENCY.

S. M. Tutt is preparing to open up a hotel here.

Rella Bailey, has moved back here from Frenchburg.

C. C. Fulks, of Stillwater, was here Monday on business.

James Wilson, of near Maytown, has moved to this place.

Ben Sewell has just returned from a business trip to Boxer.

Hon. G. B. Stamper, has gone to Bryant, Wis., on legal business.

Mrs. Elizabeth Tutt has moved to the George Halsey property near town.

Larken Stamper is erecting a commodious hotel and storehouse at this place.

Willie Stamper, of Winchester, is attending the Kentucky Wesleyan Academy.

The school at this place is progressing nicely, with an enrollment of more than 200.

George Cannoy, of Mariba, has purchased property here and will move to it in a few days.

Taylor Sewell is now an assistant in the postoffice. He is the right man in the right place.

Drs. B. D. Cox and J. R. Carroll, are now located here. They will erect handsome residences soon.

George Lykins, who moved from here to Indianapolis, Ind., several years ago, has moved back to this place.

George L. Athey, who has been in the regular army for the past six years, five years of which was spent in the Philippines, returned home last Wednesday night. He crossed the Pacific ocean four times and is well and hearty, and during his six years service never had any sickness. He matriculated at the Kentucky Wesleyan Academy this morning.

Business of all kinds is booming here: new buildings are being erected, oil wells are coming in almost daily, the last being the Napier well near town, on the farm formerly owned by Clayborn Duff. It is a fine producer. There are now 18 good wells in the Campton oil field and several others are being drilled. There is also a fine gas well, on the farm of James Campbell, near town.

There are many sad scenes in this world—scenes so sad as to cause the tears to roll down from cheeks and make even hearts of Adamant feel: but none are half so sad as that of the poor victim of strong drink. Intellectually, morally and physically the moderate drinker and the drunkard, are degraded and brutalized men upon the altar of Intemperance. They sacrifice all that can make life beautiful and desirable their manhood and their freedom, and they are miserable slaves, bound to the rock by the chain of their own vices and lashed by their own inrolling waves of despair. Beware of the first drink, for where the moderate drinker now stands boasting the drunkard once stood. We can hear the groans of dying millions and the dull heavy thud of falling clods upon millions of coffin lids saying, Beware, Young Man, Beware.

Held to the U. S. Court.

A Jackson dispatch of Feb. 10th says:

"John M. and Cess Holbrooks were brought before United States Commissioner R. A. Hurst this morning on the charge of shooting at J. L. McCoy and a posse of men while they were attempting to destroy a moonshine still on the head of Licking River, in Magoffin county, last August. It will be remembered that McCoy, in company with Sherman Cope and Henry Freeman, went on a moonshine raid in August and located a still in the head of Licking River. They proceeded to demolish the still and destroy its contents when they were fired on by a party of men in ambush, slightly wounding McCoy."

"Both the defendants attempted to establish an alibi and Cess Holbrooks succeeded, but John M. Holbrooks was held to answer in the United States Court at Frankfort under a bond of \$500. They were represented by Attorney W. N. Cope, of this city."

Grave Trouble Foreseen.

It needs but little foresight to tell that when your stomach and liver are badly affected grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by all druggists at 50c. a bottle.

Tried For Embezzlement.

J. E. Stivers was taken before Commissioner Hurst Friday afternoon on the charge of embezzlement while postmaster at Muir, in Fayette county. He is charged with having embezzled \$87. Stivers is now in the employ of the O. & K. Railway as agent at the O. & K. Junction, a short distance below Jackson. He formerly resided at Jackson, and was in the employment of the Lexington & Eastern Railway, and it is not believed by people there that he is guilty.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both Home of Swamp-Root, sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. People, Help These People.

All the people of our town are now called upon to show the stuff of which they are made. Plainly speaking, to give a practical demonstration of their religion by contributing to Mrs. Oscar Young to help her go to housekeeping. In the first Tuesday morning she and her two sons and two daughters lost practically everything they possessed, and as Christian citizens desiring to do by others as we would have them do by us, every one should contribute something to help this poor woman, who has been peculiarly unfortunate. Put yourself in her place for a minute or so and while thus masquerading your magnanimity must reach to your pocket-book and cause you to give her liberally of your means. You may have but little of this world's goods yourself, but the friend has not visited you and you can well afford to be liberal with her. It is a terrible thing to be cast upon the cold charity of the world when the thermometer is hovering around zero, but let us show to the world that while the weather is very cold our hearts warm to those in distress by giving to these people with a liberal hand. As ye mete it out to these even so may it be meted unto you, and you know not when misfortune may pay you a visit. Don't, we pray you, allow selfishness to stand sponsor in this case, but be a Samaritan whom God can smile upon for his sweet charity. Everybody can do something and everybody should do something. Let the record show your act—for good.

SEED TIME

The experienced farmer has learned that some grains require far different soil than others; some crops need different handling than others. He knows that a great deal depends upon right planting at the right time, and that the soil must be kept enriched. No use of complaining in summer about a mistake made in the spring. Decide before the seed is planted.

The best time to remedy wasting conditions in the human body is before the evil is too deep rooted. At the first evidence of loss of flesh

should be taken immediately. There is nothing that will repair wasted tissue more quickly or replace lost flesh more abundantly than Scott's Emulsion. It nourishes and builds up the body when ordinary foods absolutely fail.

The editor of this paper will endorse the honesty of the following paid local: In October, 1899, I, C. S. Mick, known as "KE-NO-TA, THE INDIAN MEDICINE MAN," came to Hazel Green and stayed two weeks, giving free shows every night, and selling my own make of medicine. The remedies were good, and did good for all my customers, and many of your people followed me to Campton, Jackson and Heattsville to get medicines that would cure them, and all were loud in their praise of the wonderful curative effects of the medicines they bought. I did more real good for my mountain customers than any other medicine man that has ever visited your community and I take this method to inform you that I am still alive, hale and hearty, and although nearly 65 years of age, feel like a youngster of 35. Myself and family (wife and two boys) live at Rock Island, Illinois, where I have my office, from which I ship daily to all parts of the United States the medicines that I make and have advertised for nearly fifty years.

My Medicines Won't Raise the Dead. But I still offer ONE HUNDRED DOLLARS REWARD for any of the following diseases that the use of my remedies fail to benefit and CURE TO STAY TOLD—Consumption, Asthma, Rheumatism, Rupture, Tape Worm, Lost Manhood, Fits, Bed Wetting Habit, any and all Female diseases, Spinal Disease, Lumbago, Kidney Disease, Catarrh of Head, Chronic Constipation, Indigestion, Stomach Trouble, Old Sores, Piles, Scrofula, Worst Blood Diseases, Necrosis or rotting of the bone, Big Neck, White Swellings, Nervousness, Heart Palpitation, Liver Troubles, Dyspepsia, Varicocoele, Nervous Disability, any contracted disease, all diseases of men, lack of force, many waste, skin diseases, Eczema, Birth Marks, Old Sores, Fever Sores, Sores in Scalp, and many others.

THE SECRET OF MY SUCCESS is in the fact that I make my medicine out of Herbs, Barks, Berries, Gums, Leaves and Plants that I gather in the woods where they grow, and I am the only living white man that does this, and I make ONE MEDICINE FOR ONE DISEASE. On this plan my remedies do good for each person I deal with. Now, if you have chronic disease of any kind that your resident doctors have not and can not cure, write to me, describe your feelings and symptoms in your own way, name the true date and month of your birth, that I may know your age, inclose a 2 cent stamp for reply, and I will answer and tell just what I would have one of my own family use if either of them were similarly afflicted, and my price for the medicine. Then if you want the medicines write me, and put the price in the letter; register your letter at the postoffice, and on receipt of same here, I will ship you the very best medicines that can be had on earth, with full and complete directions how to use them, and when followed, a Positive Cure will result. DO NOT DELAY WRITING TO ME, as life is uncertain at my age, and to get my medicines YOU MUST WRITE TO ME WHILE I AM ALIVE. Address all mail like this:

C. S. MICK,
THE MEDICINE MAN,
ROCK ISLAND, ILLINOIS.
SPECIAL DIRECTIONS—You can cut out the above printed address and paste it on your envelope, and it will be sure to reach me. (White of an egg makes a good paste). EXTRA SPECIAL—Be sure and tell me exactly how to direct my letter to you so as to reach you—WRITE YOUR OWN NAME PLAIN AND DISTINCT. If you get mail by rural free delivery, TELL ME SO, and give the number of the route, and you will quickly hear from me. All letters are strictly confidential, and are opened by me in person. So talk plain and tell me all. I can send you a remedy for any ailment, NO MATTER WHAT IT IS, and it will work like a charm. If you, reader, are not afflicted in any way, want you please call the attention of some suffering relative or friend to this notice, so that they can regain their health? By doing this you will be doing them a kindness, and me a favor at the same time. My prices are very low. To illustrate: I will send by mail 3 boxes of my Indian Herbs for Constipation, Indigestion and Liver and Stomach disorders, for only One Dollar. Each box is worth that. Always send money with your order.

Old Dormitory Burned.

Fire destroyed the building that was recently used as the dormitory on Tuesday morning about one o'clock, entailing a loss of \$1,000, perhaps, upon which W. O. Mize, the owner, carried \$750 insurance. The building was occupied by Mrs. Oscar Young and family, who practically lost everything but what they had on their backs; they did save an old safe and a few dishes and a bureau containing a scant lot of clothing. Seven students roomed there, and they all lost more or less. Wayne Long had a gold-filled watch melted up; Harlan South suffered some \$15 worth; Calbert Cassidy lost about \$12; Archie Cope, who was home at the time, lost trunk and contents, say \$50. J. T. Jones, Eddie Hoskins and Martin Devaney each lost a trifle but amount is not known. The Youngs were heaviest losers and least able to stand it. But all of them have our sympathy.

A Pleasant Visit.

Saturday being a day of sleigh riding some of the merry youngsters of Hazel Green visited Miss Cecil, of Consolation. Among them were Misses Emma and Rose Perkins, Arta Dye and Maggie Rose; Messrs. Bob Cecil, James Perkins, Curtis O. Rose, and L. E. Smyth, of Tennessee. The large farm house being so comfortably prepared and looking so inviting to the "little pleasure seekers," shone forth to them the affection for them therein. And when preparing to return home on Sunday evening many times they were heard to say, "Oh! that we could stay but a little longer under the gas lights."

STILLWATER SPARKLES.

J. L. Taylor is moving to Jeff M. Rose's.

Hon. J. M. Tester is attending court at Jackson this week.

The little daughter of Camp Rose has been seriously ill for sometime.

There is considerable talk about the prospects for oil in the Stillwater neighborhood just now.

On last Thursday morning ye scribe started over the ice and the snow to make his way to Gillmores creek to be present at the trial of one William Linden against Flint Little, on a writ of forcable entry and detainer. There were several persons present, all seemed quite proud to see two of Wolfe county's Justices, to wit, Elias Shockey, and J. M. Taylor, present for the purpose of holding court in their midst, and hear them expound the legal questions, of which there were many. The Squires took dinner at the home of Rev. John Bircham, and he it said to the credit of Bro. Bircham and wife, that they are unexcelled in the way of genuine hospitality. Returning late I stopped for the night with Squire and would-be County Judge, John D. Rose, and lest I forget, I will say right here that there is no more clever and hospitable family in Kentucky. After partaking of a bounteous supper and breakfast I went to E. M. Russell's mill on the Squire's farm, where Mr. Rose and Mr. Russell are pushing work in earnest. There was also Barney Finch the champion log hauler of America. I need not say anything about his pushing business as he is two well known for comment to be worth anything to him. After which I returned to old Stillwater and family, the most delightful land on earth.

LIVER TROUBLES

"I find Thedford's Black-Draught a good medicine for liver troubles. It cured my son after he had spent two weeks with doctors. It is all the medicine I take."—WILLIAM COFFMAN, Martinsburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Thedford's Black-Draught and take a dose tonight. This great family medicine cleanses the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Thedford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Thedford's Black-Draught should always be kept in the house.

"I used Thedford's Black-Draught for liver and kidney complaints and found nothing to equal it."—WILLIAM COFFMAN, Martinsburg, Ill.
